Request for Proposal

The Town Board of Commissioners for Mount Pleasant, North Carolina (hereinafter called the "Town") invites qualified independent auditors (hereinafter called "auditor") having sufficient governmental accounting and auditing experience in performing an audit in accordance with the specifications outlined in this Request for Proposal (RFP) to submit a proposal.

There is no expressed or implied obligation for the Town of Mount Pleasant to reimburse firms for any expenses incurred in preparing proposals in response to this request.

The specific details shown herein shall be considered minimum unless otherwise shown. The specifications, terms, and conditions included with this RFP shall govern in any resulting contract(s) unless approved otherwise in writing by the Town of Mount Pleasant. The bidder consents to personal jurisdiction and venue in a state court of competent jurisdiction in Cabarrus County, North Carolina.

Type of Audit

1. The audit shall be performed in accordance with the laws and regulations of the State of North Carolina, which include requirements for the minimum scope of the Town's audit. The audit firm shall comply with generally accepted auditing standards as required by the American Institute of Certified Public Accountants and Government Auditing Standards, issued by the Comptroller General of the United States. The audit firm shall apply auditing procedures necessary to render an opinion as to the basic financial statements, taken as a whole, in conformance with generally accepted accounting principles.

2. The scope of the audit and all fee quotes presented should include all approved and known pronouncements through the date of proposal submission. This includes, but is not limited to Governmental Accounting Standards Board statements and Government Auditing Standards. Although some pronouncements will not be in effect until after the first year of the audit, estimates for future years should include pronouncements that will become effective during that contract period. The audit firm will be expected to advise appropriate Town staff on the applicability of accounting and reporting standards as they become effective.

3. The financial audit opinion will cover the financial statements for the governmental activities, the business-type activities, each major fund and the remaining fund information, which collectively constitutes the basic financial statements. The combining and individual financial statements, schedules, and related information are not necessary for fair presentation, but will be presented as additional analytical data. This supplemental information, as required by GASB 34, will be subjected to the tests and other auditing procedures applied in the audit of the basic financial statements, and an opinion will be given as to whether the supplemental information is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The auditor shall express an opinion on the budgetary comparison information for the General Fund, the major funds and any annually budgeted special revenue funds. An opinion will not be given on the Management Discussion and Analysis.

The working papers shall be retained and made available upon request for no less than three years from the date of the Audit report.

4. The audit will also include the following:

- a. Pre-planning conference with Finance staff in April/May timeframe where both the

- auditor and Finance staff discuss their expectations of the audit.
- b. Interim audit work prior to June 30th and/or prior to final close.
- c. Attendance at Town Board of Commissioners meeting in late October for presentation of the financial statements by Manager or Partner of the Audit Staff with comments and potential questions from Board as requested.

5. The audit should encompass all funds and entity-wide activities as reported in the Town's Comprehensive Annual Financial Report (CAFR) at June 30, 2019 and any additional funds or entity-wide activities that may be added subsequent to that date.

6. If required, the audit firm will issue a management letter to the Town Board of Commissioners after completion of the audit and assist management in implementing recommendations, as is practical. Town staff also request that an informal letter be addressed to the Town Manager or Finance Officer with any efficiency, internal control or accounting improvements that could be made based on the audit staff's observation during their fieldwork. All content must be discussed with the Town Manager or Finance Officer prior to issuance. The audit firm is encouraged to discuss the content while the management letter is in draft form to ensure that all parties fully understand the circumstances that lead to auditor comments.

7. The Town staff may require the auditor's guidance or input on the completion of certain schedules/documents as to proper format and content, so that they can be used in the audit process as well as inclusion in the Town's financial statements. Guidance may be required for new note disclosures, all outstanding and effective authoritative standards and other reporting requirements at June 30 year-end. Cost for providing these services should be included in the auditor's base fee quote and will not be considered extra for additional billings. In cases, however, where services requested would require a more in-depth scope and require work significantly above the original fee quote, such additional fees must be negotiated prior to commencement of work.

Auditor Requirements

The audit firm is considered to be an independent contractor and will be wholly responsible for the services and the supervision of its own employees and permitted sub-contractors.

A planning meeting will be held each year to determine schedules that the Town will be responsible for preparing. Estimated timeframes will be established and interim audit work will be planned. Adequate notification will be given prior to any changes in estimated times.

If the Town of Mount Pleasant audit engagement is subject to the standards for audit as defined in Government Auditing Standards, 2018 revisions, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he has met the requirements for a peer review and continuing education as specified in Government Auditing Standards. **The Auditor must provide a copy of their most recent peer review report with their proposal.**

The Town staff will prepare all standard year-end accruals and other adjusting journal entries. The Financial Statement Preparer will prepare the government wide year-end adjusting journal entries as well as any necessary entries to allocate the state pension balances. The Town does have Other Post-Employment Benefits, therefore OPEB entries are necessary. *(The Town recently changed the policy for OPEB benefits and we only have 4 employees that are grandfathered in for future benefits.)* The Town shall designate an individual, such as the Finance Officer, with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. The Town management will ultimately be responsible for the preparation and fair presentation of the financial statements, which includes the design,

implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements. The Town will need the assistance of the Financial Statement Preparer for the preparation, typing, proofing, printing, and copying of the Basic Financial Statements, supplementary information and compliance reports. The Town of Mount Pleasant's Finance Officer and/or Financial Statement Preparer will prepare the MD&A. A preliminary draft of the audit and required adjusting journal entries must be submitted to the Finance Officer by October 1 for proofing and reconciliation to the Town's records to allow ample time for review and corrections before it is sent to the Local Government Commission. The Town of Mount Pleasant's Finance Officer will return the draft to the Financial Statement Preparer with proposed revisions within 10 working days. The financial statement preparer will be ultimately responsible for the preparation, typing, proofing, printing, and copying of the Basic Financial Statement, supplementary information and all applicable compliance reports.

Meeting LGC deadlines is a high priority for the Town. Therefore, the Town of Mount Pleasant prefers interim fieldwork be completed in early June. Year-end fieldwork should begin by or before mid-August and be completed by late September. While many documents can be shared electronically, the Town expects that the audit firm staff will be onsite for fieldwork, including manager and partner level staff for at least a portion of the onsite work. **An agreed upon post-closing trial balance must exist by September 30.** The Finance Officer will expect a listing of requested information needed for the audit at the preplanning conference, periodic conferences during the conduct of the audit, as well as an exit conference prior to the completion of fieldwork.

The timing of the draft and review should insure final completion of the Financial Statements by the annual October 31st deadline or no later than the annual grace period of December 1. For every week the audit is late due to no fault of the Town of Mount Pleasant, there will be a reduction in the audit fee of \$100.00.

Twelve (12) copies of each Audit report, management letter, and other applicable reports must be supplied to the Finance Officer within the time frame cited above. In addition, the auditor is responsible for complying with the requirements of the LGC for submitting the audit and all associated documents and forms as required for the year under audit when (or prior to) submitting the final invoice for audit services rendered to the Commission.

In the event that circumstances arise during the audit that require work to be performed in excess of the original estimates, any additional costs will be negotiated prior to commencement of the work and an amended contract will be approved by the governing board and forwarded to the staff of the LGC for approval.

Either the manager or partner of the audit staff is required to present and attend the Town Board of Commissioners meeting in which the Audit report is presented. Required communications to the Board can be delivered at this point, as well as general comments regarding the audit process and the results of the audit. Town staff will coordinate this presentation and determine the date and time of the meeting, typically held in late October following the audit completion.

Audit Contract: Period & Payment of Audit Fees

The Town intends to continue the relationship with the auditor for no less than three years on the basis of annual negotiation after the completion of the first year contract. Each year after negotiation has taken place an annual contract documenting the terms of the audit will be signed. Since one governing board may not obligate future governing boards, the remaining years of the agreement are subject to annual governing board approval. The Town of Mount Pleasant reserves

the right to request proposals at any time following the first year of this contract. It is requested that proposals be prepared for the following years, with year one being the only obligated year:

July 1, 2019 to June 30, 2020

July 1, 2020 to June 30, 2021

July 1, 2021 to June 30, 2022

The required current revision of the form "Contract to Audit Accounts" (form LGC-205) is required to be executed as the contract document; however, the auditor and the Town may also execute an engagement letter and/or a Town contract to include additional terms not addressed in the LGC-205. The entire audit contract package must be approved by the staff of the Local Government Commission. Invoices are subject to approval by the LGC prior to payment by the Town. Interim or progress billings for services rendered marked approved by the LGC will be paid up to 75% of the total fee prior to submission of the final audited financial statements to the staff of the Local Government Commission. The final 25% of the Audit fees (final invoice) will be paid when the financial statements, single audit (if applicable), management letter and amended contract (if applicable) have been reviewed or approved by the LGC.

The LGC only approves invoices for audit related work. Requests for payment related to any additional agreed upon procedures or AFIR work do not require LGC approval. Final invoices for these services will be paid after the final report results and findings have been reviewed and deemed satisfactory by Town staff.

Description of Selection Process

The Town requests that no Town officials be contacted during this proposal process. Submit questions regarding the RFP in writing via email to Amy Schueneman (amy@mtpleasantnc.us). Any additional information disclosed to participating audit firms prior to bid submission will be shared with all interested parties.

Proposals will be submitted in two sections and must be physically signed by an authorized representative of the Audit firm. The first section will be comprised of the audit firm's prior experience and qualifications of its personnel in performing governmental audits. The second section will consist of completed cost estimate sheets. The Town staff will evaluate the auditor/firm on educational and technical qualifications. The firm best meeting the Town's expectations for experience, audit approach, and cost requirements will be selected.

Please keep in mind that cost, while an important factor will not be a sole determining factor. Unusually low bids that are obviously out of line with other bidders or are significantly lower than out current fees will raise concern. The lowest bid will not automatically be awarded preferential consideration.

The Town reserves the right to reject any or all bids, waive technicalities, and to be the sole judge of suitability of the services for its intended use and further specifically reserve the right to make the award in the best interest of the Town.

Failure to respond to any requirements outlined in the RFP, or failure to enclose copies of the required documents, may disqualify the bid. Firms must be registered with the North Carolina State Board of CPA Examiners.

Section 1 - Profile of the Firm

The first section should address the requested information below. The corresponding responses should begin with the number below for the requested information.
